

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Through the practical experience of management, corporate management has been designed in a scientific and transparent manner to obtain the best results from it. Hierarchical clusters were created from top management to down level to clearly delineate duties, responsibilities, accountability, and powers at each stage. Our institute follows a democratic and participatory approach of governance for achieving its goals. All stakeholders participate actively in the administration of the institute. The college has a well-structured administrative and academic setup to consistently improve the quality and standard of education and to achieve excellence.
