3.31 Number of a research papers in the journals notified on UGC-CARE list during the last 5 years

Subject: Research papers in the Journals notified on UGC-CARE List

As per UGC guidelines, the API score of the teachers forms the basis of their promotion. Our teachers got their papers published in UGC-CARE journals over the years to enhance their API score. Due to the dynamic nature of UGC-CARE list, the journals in which our faculty members had published their papers in the past, no longer feature in the latest UGC CARE list. We have therefore not mentioned those papers here.
