#### Title: Greening Futures: Life Skills Through Plantation Drive -27/11/2020

**Report:** On November 27, 2020, a collaborative effort between the NCC and Agriculture Department resulted in a successful plantation drive. Twenty-three participants actively contributed to the initiative, demonstrating the synergy between disciplined cadets from the National Cadet Corps (NCC) and the expertise of the Agriculture Department. The event focused on sustainable environmental practices as participants planted trees to enhance green cover. This joint effort not only contributed to the conservation of the ecosystem but also fostered a sense of environmental responsibility among the participants. The plantation drive of November 27, 2020, symbolizes the collective commitment to environmental stewardship by bringing together the strengths of both the NCC and the Agriculture Department.

### Title: Nurturing Life Skills: Awareness on Drug Abuse and Illicit Trafficking Amidst Adaptability- 26/06/2021

**Report:** Despite the prevailing COVID-19 restrictions, on June 26, 2021, the Political Science department adeptly organized an event to mark the International Day against Drug Abuse and Illicit Trafficking. With careful consideration of the pandemic constraints, 15 participants actively contributed to the event, finding innovative ways to raise awareness about the detrimental effects of drug abuse and the significance of combating illicit trafficking. The organizers, displaying commendable adaptability, likely implemented virtual platforms, smaller gatherings, or other adjusted formats to adhere to health and safety guidelines. Notably, Captain Amrinder Singh added a significant dimension to the event by delivering a compelling lecture, further enhancing the occasion and underscoring the department's commitment to addressing global challenges with resilience and creativity.

#### Title: Presentation (Communication Skills) - 21-01-2021 to 29-01-2021

**Report:** The presentation held by the Agriculture Department from January 21 to January 29, 2021, marked a significant milestone in the skill enhancement of 62 participating students. The focal point of the presentation was the active involvement of students, who took the stage to present topics related to agriculture, cultivation practices, and modern concepts of cultivation. This approach not only deepened their understanding of agricultural subjects but also served as a unique avenue for skill development, including the improvement of communication skills. Students showcased their ability to articulate ideas effectively, demonstrating a blend of traditional agricultural knowledge. The active participation of 62 students underscores the success of this presentation in promoting both knowledge acquisition and skill enhancement within the agricultural domain.
