Title: Elevating Potential: A Gateway to Soft Skills Excellence- 16-10-2022 to 19-10-2022

Report: Elevating Potential: The Youth Festival - A Gateway to Soft Skills Excellence," held from October 16 to October 19, 2022 (Zonal) and November 10 to November 13, 2022 (Interzonal), witnessed active participation from 21 students (Zonal) and 5 students (Interzonal) under the Youth Welfare Department. The event, not only celebrated talent and creativity, but also served as a significant platform for nurturing soft skills. Among the highlights were remarkable achievements, including 1st prizes in Rangoli, installation, 2nd prizes in classical vocal, Folk Dance Jhoomer (individual), and still life. Furthermore, in the inter-zonal competition, our participants secured a commendable third prize in Rangoli, poster making, and installation, showcasing their skills on a broader platform. This success not only exemplified the department's commitment to fostering holistic personal and professional growth but also highlighted the individual and collective excellence achieved through the development of essential soft skills.

Title: Imbibing Language and Communication Skills-21-02-2023

Report: The Punjabi Department's "Celebrating Linguistic Heritage: MAA BOLI DIVAS" on February 21, 2023, featured a diverse program with 50 participants. Notably, students such as Sajjan (BA-2nd semester), Keshav Kumar (BA 6th

semester), and Harpreet Singh (BA 2nd semester) contributed insightful essays on the "Importance of Punjabi as a Mother Language" and the "Status of Mother Language in the Present Era." Alongside, a seminar engaged experts, faculty, and students in discussions about preserving Punjabi. This intellectual discourse, combined with cultural festivities, successfully fostered language skills and deepened appreciation for linguistic heritage within the academic community

Title: Presentation (COMMUNICATION SKILLS) - 09-11-2022 to 16-11-2022

Report: The Agriculture Department's presentation held from November 9 to November 16, 2022, proved transformative for 35 participating students, emphasizing effective communication skills. Actively engaging in presenting agriculture-related topics, particularly on genetically modified organisms (GMO) crops and soilless culture students deepened their understanding of modern agricultural practices. This innovative approach not only enriched their knowledge but also honed their ability to articulate complex ideas clearly. The Agriculture Department's commitment to preparing students for the evolving agricultural landscape was evident through the emphasis on communication skills, a vital aspect for success in the sector's dynamic future.
