Title: Career Counseling in Army-03-03-2019

Report: On March 3, 2019, the NCC Directorate hosted a transformative Career Counseling session for 44 NCC students from our college. The event, spearheaded by the directorate, provided invaluable insights into diverse career paths within the Army, guiding participants through the intricacies of military service and associated professions. The session not only equipped the students with essential information about potential career trajectories but also fostered a sense of purpose and commitment. The interactive nature of the counseling allowed students to engage with experienced personnel, gaining firsthand knowledge and clarifying doubts.
