5.1.3 Percentage of students benefitted by guidance for competitive examinations and career counselling offered by the institution during the last five years

Guidance for competitive examinations

Title: In depth discussion on core subjects relevant to the exam-02-09-2020

Report: The seminar held on February 9, 2020, offered an insightful and comprehensive discussion on core subjects crucial for the upcoming exam. Professor Jasmine, Department of Agriculture, with her profound expertise, engaged 45 students in a stimulating exploration of key concepts. The session delved into the intricacies of the exam-relevant topics, providing

students with a deep understanding and clarity on essential subject matter. The seminar not only enhanced the students' knowledge but also instilled confidence as they approach the impending examination.
